

Performance assessment in the course phase

The performance in the qualification phase is assessed for written examinations and for all other learning areas (general part) with grades and points. A report card grade is awarded if the student has continuously and actively participated in the compulsory lessons.

In the first to fourth semesters of the course, examinations are written in the advanced and basic courses. written. In the basic sports practice course, the written examination is replaced by a special examination.

	Semester	number of exams	Consideration in the calculation of the report mark for LK - grade
LK	1st - 3rd semester	2	1/2
	4th semester	1	1/3
GK	1st – 4th semester	1	1/3

Any course that is completed with 0 points is deemed not to have been taken with regard to the attendance requirement and the overall qualification.

If both examinations in an advanced course are missed - even if excused - or are graded with 0 points, the course is deemed not to have been taken, i.e. the year level must - if possible - be repeated. possible - be repeated.
